Kelvin Grove Primary school is committed to providing effective resources and ensuring vital support is in place for our disadvantaged students to improve their academic outcomes. Our key objectives in utilising the Pupil Premium Grant are to close the attainment and progress gap between eligible students and their peers.

This document details the proposed spend of the Pupil Premium, committed to narrowing the attainment and progress gap further.

The FIVE key objectives:

1. **Curriculum:** to develop and maintain a broad and balanced curriculum that provides new experiences, develops communication, language, key knowledge and skills and is vocabulary-rich, stimulating the children and motivating them to learn thereby ensuring PP students in all years make progress in line with or exceeding the progress of their non PP peers.
2. **Teaching and Learning:** to further develop how assessment is used across school to identify Pupil Premium pupils who need additional support to enable them to make good progress and achieve well, particularly in KS1.
3. **Wider Outcomes:** to provide a range of enrichment activities for students, no matter what their background to access learning opportunities outside the classroom
4. **Pupil Welfare:**
 - (a) **Nurture:** to support the most vulnerable pupils in school
 - (b) **Behaviour:** to support our most vulnerable pupils, including those at risk of exclusion
 - (c) **Attendance:** to continue with strategies that ensure Pupil Premium attendance remains in line with or above whole school attendance.
5. **Early Years Pupil Premium (for 3 & 4 year olds across nursery and reception classes – excludes 5 year olds who are covered in the non EY Pupil Premium funding)**
 - (a) to diminish the differences in pupil outcomes with a focus on addressing speech and language needs and reading.
 - (b) to further develop assessment to monitor this cohort and ensure pupil premium children are making accelerated progress, receiving swift intervention when needed.

(*PP – referring to any student in receipt of Free School Meals in the past 6 years)
